Welcome!

We are committed to providing our patient members with the Palm Medical Experience. At each of our locations, patients will find attentive doctors, knowledgeable and compassionate care coaches, and professional staff who focus on the needs of patients from the diverse communities we serve. By taking the time to build relationships with every patient who walks through our doors, we are better able to offer customized solutions designed to optimize each patient’s health and well-being. Everything we do is rooted in the belief that everyone we treat deserves to enjoy the Palm Medical Experience – which contributes to our patients becoming happier, healthier versions of themselves.

With Us, You Get More

Throughout Central Florida and South Florida, we strive to provide seniors age 65+ in the communities we serve with the Palm Medical Experience. Visiting one of our centers is so much more than a typical medical visit. At Palm Medical Centers, you can build long-lasting, positive relationships with care coordinators and other professionals who are dedicated to and invested in your health and well-being. Our medical concierge services go above and beyond what you typically expect at a doctor’s office. When you choose Palm Medical Centers, you have a team of caring staff on your side, focused on providing you access to services specific to your unique needs.

Our Mission

Our mission is to provide quality healthcare with genuine kindness to our patients so they can lead productive and fulfilling lives. Create and maintain a positive work environment for our dedicated team of professionals.
